The Maryland State Board of Plumbing requires the successful completion of an approved 32 Hour Backflow Training Course to obtain a Journey/Master Plumber license. The focus of this course shall be to develop a working knowledge of the causes and principles of the backflow and backflow prevention. Recognizing proper backflow prevention assembly application and operation is stressed. A complete understanding and ability to perform accepted field test procedures for all backflow prevention assemblies are required for Certification.

BOOKS. The University of Florida (TREEO) Backflow Prevention Theory and Practice book is used for the course and is yours to keep.

CERTIFICATION. A passing grade on the final written examination and a satisfactory completion of the “hands on” performance test will result in Certification. Certification is good for three (3) years. If you fail the course and are required to re-test you will be notified by the office, there is no additional charge for the re-test.

REGISTRATION: Applicants are accepted on FIRST-COME FIRST-SERVE basis. Class size is limited to 15 persons.

PAYMENT MUST ACCOMPANY APPLICATION. We Accept the credit cards listed below:
